

FLEXORAND

Carpet binding tape **TWEED** - noble understatement by Flexorand.

Carpet binding expert Flexorand continues to express its original design-language in its tape assortment by means of **TWEED**, a 12 cm wide tape, stunningly accentuating a herringbone pattern. Different warp and weft yarn colors are combined subtly and give a strong vivid expression to the design.

Strong polyester yarn and sober color shades accentuate its rustic nobility. **TWEED** appear in ten extraordinarily variable combinations of colours. It is available in rolls, suitable for a wide range of different carpet colours.

Flexorand **TWEED** completes the binding tape collection for fanciers of comfortable understatement.
